

CLEAN WATERLESS

Clean Waterless is a specialized product to clean the waterless inks. The purpose of this chemical liquid is to daily clean and maintain your anilox rolls, plates, doctor blade chambers, and more.

The Clean Waterless is a ready-to-use product (no dilution needed).

- For manual cleaning, apply the product directly, leave it on for a few minutes, brush with an adapted RECYL brush, and rinse with clear water.
- For machine cleaning, follow the machine's instructions.
