

Magic'CLICHÉ

Magic'Cliché serves as an excellent preventive measure for maintaining the cleanliness of plates and sleeve plates. It is compatible with all types of inks.

Easy application involves a simple shake before use, spraying the product on the non-printing zones of the plate, followed by a gentle wipe of the printing zones using a soft, clean cloth. Allow five minutes for the solution to dry.

Technical specifications:

Usage:	Preventive cleaning product
Type of ink:	Any types of ink
Target:	Prevention of plates and sleeves soiling
