

Magic'LOX

Magic'Lox is a versatile cleaning product that can be used to clean all types of ink and varnishes from ceramic and chrome anilox rolls, plates, machine frames, and parts. It is a colorless cleaning spray that is perfect for manual cleaning with spray.

Magic'Lox is perfect for fast maintenance of aniloxes and plates to reduce stop time of the printing machines.

Magic'Lox is an easy-to-use product that can be used to clean dirty surfaces quickly after or during production.

The instructions for use are simple: Shake ⇒ Spray ⇒ Wipe.

Magic'LOX

Hand cleaning

- Shake well before each use
- Spray the product on the surface to be cleaned
- Leave on for a few seconds to a few minutes
- Wipe with a soft cloth
- No rinsing required, leaves a protective film
- In case of over-thickness or very difficult inks, repeat the operation and brush with a suitable RECYL brush
