

Quick'Wash CLICHÉ

Quick'Wash Cliché is designed to clean solvent-based inks, either in cleaning machines or manually (aniloxes, plates, and spare parts).

The product is ready-to-use (no dilution required) and offers the perfect balance between efficiency and low cost. It is non-flammable and dries quickly without leaving any greasy residues, thanks to the ideal combination of fast- and mid-evaporation solvents.

- For manual cleaning, apply the product directly, leave it on for a few minutes, brush with an adapted RECYL brush, and rinse with clear water.
- For machine cleaning, follow the machine's instructions.

Technical specifications:

Usage:	Cleaning product
Type of ink:	Solvent-based ink
Target:	For daily cleaning of parts and plates soiled by solvent ink
Aspect:	Colorless liquid
Packaging:	20 liters jerrican, 220 liters drum, and 1000 liters IBC
Shelf life:	24 months
How to use:	Product ready for use Ideal use temperature at 35°C

Always consult Recyl TDS (Technical Data Sheet), product label, MSDS (Material Safety Data Sheet - upon request) for proper usage instructions and appropriate safety.

Quick'Wash CLICHÉ

Hand cleaning or with a fountain

- Apply product directly on dirty part. Leave on for a few minutes
- Brush the surface with adapted RECYL brush
- Rinse with clear water. Change the rinse water frequently

Cleaning in washing machine (Cliché Cleaner type)

- Refer to the operating instructions of the machine
- Fill up the tank
- Rinse with clear water. Change the rinse water frequently
- Wash out the saturated liquid with other cleaning effluents
