

Quick'Wash RESOLV

Quick'Wash Resolv is the upgraded version of Quick'Wash Cliché, specially formulated to clean solvent-based inks efficiently—whether used manually on aniloxes and plates or in cleaning machines.

This ready-to-use solution requires no dilution, offering the perfect balance between high performance, safety, and cost-effectiveness. It is classified as non-hazardous, non-flammable, with no pictograms, making it safer and easier to handle. Thanks to the perfect combination of fast- and mid-evaporation solvents, QW Resolv dries quickly without leaving any greasy residues.

- For manual cleaning, simply apply the product directly, let it sit for a few minutes, scrub with a suitable RECYL brush, and rinse with water.
- In machine applications, just follow the standard instructions provided.

⇒ Please note, the product is not intended for use in closed cleaning systems and should not be heated above 60°C.

Technical specifications:

Usage:	Cleaning product
Type of ink:	Solvent-based ink
Target:	For daily cleaning of parts and plates soiled by solvent ink
Aspect:	Colorless liquid
Packaging:	20 liters jerrican, 220 liters drum, and 1000 liters IBC
Shelf life:	24 months
How to use:	Product ready for use Ideal use temperature at 35°C

Always consult Recyl TDS (Technical Data Sheet), product label, MSDS (Material Safety Data Sheet - upon request) for proper usage instructions and appropriate safety.

Quick'Wash RESOLV

Hand cleaning or with a fountain

- Apply product directly on dirty part. Leave on for a few minutes
- Brush the surface with adapted RECYL brush
- Rinse with clear water. Change the rinse water frequently

Cleaning in washing machine (Cliché Cleaner type)

- Refer to the operating instructions of the machine
- Fill up the tank
- Rinse with clear water. Change the rinse water frequently
- Wash out the saturated liquid with other cleaning effluents
