

Quick'Wash SOLVANT PU

Quick'Wash Solvant PU is a specialized cleaning product that is designed to clean Polyurethane (PU) solvent-based ink. It is ideal for daily cleaning of plates, inking units, and spare parts.

Quick'Wash Solvant PU is ready for use and should not be diluted. The ideal use temperature is 35°C.

Quick'Wash Solvant PU is non-flammable, odorless, and non-toxic, making it safe to use in any printing environment.

- Quick'Wash Solvant PU is easy to use. Simply apply the product directly on the dirty part and leave it on for a few minutes. Brush the surface with an adapted RECYL brush and rinse with clear water. Change the rinse water frequently.
- For cleaning in washing machines (Simplex or Cliché Cleaner type), refer to the operating instructions of the machine.
