

Quick'Wash SOLVANT

Quick'Wash Solvant is a specialized cleaning product designed for daily cleaning of solvent-based inks, either in cleaning machines or manually (aniloxes, plates, and spare parts).

The product is ready-to-use (no dilution required). It is VOC free.

- For manual cleaning, apply the product directly, leave it on for a few minutes, brush with an adapted RECYL brush, and rinse thoroughly with clear water.
- For machine cleaning, follow the machine's instructions.
